

Churches in the Shenandoah Valley

Christian Home Fellowship Church
11967 Senedo Rd
Hudson Crossing, VA 22842

A brief History

A group of 10 adults started home church meetings in this house in February 1980, the Sunday meetings were devoted to worship and bible study, and Tuesday meetings were for Bible Study, prayer and fellowship. The congregation grew in size so that it was impractical to keep meeting in a house, so the church moved to the Community Centre in New Market in the year 2009.

The building is now a private residence.
