

Churches in the Shenandoah Valley

Harvest Fellowship Church
9184 John Sevier Rd.
New Market, 22844

A brief History

A home church was formed in February 1980, meeting at 11967 Senedo Rd, Hudson Crossing, VA 22842 with initially 10 adults meeting together. They called themselves the Christian Home Fellowship Church. As the congregation grew, meeting in a house became impractical, so they moved to the New Market Community Center where they rent a room for their meetings.

After moving to New Market, the congregation renamed the church Harvest Fellowship.
