the War Between The States, with the dedication November 17, 1867. (This section is still in use.)

1872: Bought out the German Reformed interests and was dedicated as St. Stephen Evangelical Lutheran Church

1930's: Due to a disagreement over switching to another Synod , St. Stephen Church closed it's doors for most of a decade

1940's: Several local families met and worked to get St. Stephen Lutheran Church back to an active congregation.

1969: Built a new brick addition containing four Sunday School rooms and a basement with a kitchen.

1975: Finished the Fellowship hall to have extra seating for various church functions. This was done by enclosing the concrete slab outside of the addition built in 1969.

1980's: Installed wall to wall carpet and stained glass windows, new paneling and sheetrock on the walls, and lowered the ceiling in the Sanctuary.

2009: Renovated the Worship building built in 1867. The new addition and remodeled Sanctuary were dedicated in November 2009. It is now handicapped accessible, with new central heat and air conditioning. The layout of the Sanctuary was reversed, and the two aisles, one on each side of the church, were replaced by one central aisle. The entrance is now on ground level, with a canopy to protect from inclement weather.

D. 1860, and being interrupted by the great war from 1861 to 1865, was completed in 1867, and was consecrated and dedicated to the service of the Triune God on the Third Sunday (17th day) of November, 1867; on which occasion were present Pastors H.
